

## **My lyrics – from Songwriting Campfire**

Life is Tough

Whatever you go through you'll never be the same.  
You'll never forget the important names.  
Forget the people who make your life a shame.  
You gotta be tough enough to deal with the pain.  
Everything that happens in life remember when you've got fame.

Everyday is a blessing, everyday is a blessing.

Remember the good times driving in the car.  
Listening to music with my pa.  
In my spirit always in my heart  
At all times you're never that far.  
You always called me your little Zar.

I wish you were here, wish you were here.

The Vibez keeps me away  
Kartals wont make me stray  
I think about you everyday  
What a price to pay  
All I got to say is

Music is my making, it's the melody that made me

Life is Tough

### Verse 1

Whatever you go through you'll never be the same.  
Never forget the important names, just forget the lames  
Forget the people who make your life a shame.  
You gotta be tough enough to deal with the pain.  
Everything that happens in life remember the fame.  
Remember the sunshine, no thunder and rain.  
Remember the achievements and the success  
Words I manifest, I suggest you take a rest

### Pre-Chorus

Everyday is a blessing, everyday is a blessing.  
We learn from mistakes, just learn your lesson  
Everyday is a blessing, everyday is a blessing  
Spread positivity, let's share the message

### Chorus

I wish you were here, wish you were here.  
I'll keep you in my memory, keep you in my memory  
Life is tough without you, without you  
Music will always be the melody that made me

### Verse 2

Remember the good times, parties and fancy cars.  
Listening to music with my pa.  
In my spirit always in my heart  
At all times you're never that far.  
Take on me, A-ha, A-ha  
Jimi Hendrix burned his own guitar  
Rocking on stages like a superstar  
All eyes on you no matter where you are  
Back in the game writing meaningful lyrics  
Fire in the booth, real music, no gimmicks  
Love my family and friends  
We are strong survivors til the very end

Repeat Pre-Chorus

Repeat Chorus

### Verse 3

Bad vibes go away  
Dogs wont make me stray  
I think about you everyday  
What a price to pay  
All I got to say is  
Music is my making, it's the melody that made me
